

CATS Costumes

Our costumes will be a paired-down or simplified version of the CATS Broadway costumes.

Each cast member will need to provide:

- Base layer top and pants in solid assigned color (see next page) These will be altered and painted and will not be returned in the original condition
 - Pants should be leggings style and fit close to the body for ease of dance movement
 - Tops should be crew neck and can be the length and width of actor's choice but please refrain from midriff skin showing and if you choose a cropped shirt please have pants that cover the actor's stomach
 - Base layer costumes must be to TVCT by August 30
 - Slip on style Jazz style dance shoes (black preferred, but tan will work)

If you have concerns about acquiring or affording these pieces please let us know
